

Summit International Flooring will repair or replace the portion of the carpet that does not perform according to our warranties. If all warranty conditions have been met, Summit International Flooring will compensate the owner pro rata for the original cost of the carpet for the directly affected area and a reasonable installation allowance. Reasonable re-installation costs are limited to \$5 per square yard or \$100 when the area is less than 20 square yards. Any charges for carpet disposal, new padding or moving furniture, equipment, etc. are the responsibility of the owner.

Installation

The carpet must be installed in accordance with the Carpet & Rug Institute's Carpet Installation Standard. (See www.carpet-rug.org)

Maintenance

The consumer shall maintain the carpet in accordance with Carpet & Rug Institute's Carpet Maintenance Guidelines for Commercial Applications. (See www.carpet-rug.org)

The warranty is non-transferable. The consumer shall reasonably cooperate with Summit International Flooring in its efforts to honor and perform its obligations under this warranty.

Commercial Wear Warranty

Summit International Flooring warrants that this carpet will not wear (loose surface pile) more than 10% following installation of the carpet, provided that the carpet is properly installed and maintained indoors.

This warranty excludes carpet installed on stairs, areas subject to inappropriate chair casters, damage from skates, spiked shoes and sharp objects, and abuse including damage from athletic shoes and abnormal activity. Water damage, willful damage including burns, tears and cuts, and the effects of improper installation and maintenance are also all excluded from this warranty. This warranty covers abrasive wear (loss of pile). Changes in appearance caused by soiling, crushing (matting) or pooling are excluded from warranty coverage.

Comprehensive Stain Warranty – No Exclusions

Summit International Flooring warrants that this carpet will not permanently stain from substances typically found in homes or offices during the listed warranty years following installation of the carpet, provided that the carpet is properly installed and maintained indoors according CRI recommendations (See general warranty details). A stain is defined as an irreversible localized colour change rated less than 3.0 on the AATCC Gray Scale for Evaluating Staining (1.0 = more change; 5.0 = less change).

This warranty excludes willful damage including burns, water damage and reappearing (wicking) spots, and any stain that may occur in high traffic areas such as stairs. In addition, substances that degrade or destroy the carpet fibers (i.e. drain cleaner, battery acid, etc.) are also excluded from warranty coverage.

This warranty is not a cleaning contract. The consumer must establish and implement a preplanned preventative maintenance program immediately after installation of the carpet.

Claims submitted to Summit International Flooring under this warranty must include a letter and a receipt from a professional carpet cleaner describing the affected area and the cleaning procedures applied, with a statement that the stain could not be removed. If after professional cleaning, the stain is tested and the affected area is found to have a rating of less than 3.0 on the AATCC Gray Scale for Evaluating Change in Colour, Summit International Flooring will designate a professional carpet cleaner to attempt to remove the stain. If the second professional cleaning removes the stain, the consumer must pay for this service. If Summit International Flooring determines that the affected area remains unsatisfactory, and that all warranty conditions have been met, Summit International Flooring will compensate the owner on a pro rata basis.

Backing Performance

Summit International Flooring warrants that this carpet tile will not lose dimensional stability (i.e. shrink, grow, cup or dome), delaminate from face fiber or unravel at the edges when properly installed indoors according to CRI's installation recommendations (see general warranty details).

This warranty excludes carpet installed on stairs, areas subject to inappropriate chair casters, damage from skates, spiked shoes and sharp objects, and abuse including damage from athletic shoes and abnormal activity. Water damage, willful damage including burns, tears and cuts, and the effects of improper installation and maintenance are also all excluded from this warranty.

If after inspection and/or testing of the carpet, Summit International Flooring determines that the carpet tile backing has not performed as per the warranty description and that all warranty conditions have been met, Summit International Flooring will compensate the owner on a pro rata basis.

Filing a Claim

In the unlikely event of a claim, please notify the retailer. Be prepared to describe the specific problem and to include a copy of your invoice. The retailer will then take the necessary steps to ensure the claim is looked after contacting the distributor or Summit International Flooring if necessary.

To ensure fast and easy service retain four unused carpet tiles after installation and keep your original carpet purchase receipt, as well as proof of periodic cleaning.
